

ISFIELD NEWSLETTER

DECEMBER 2016

ISFIELD PARISH NEWSLETTER

Editor's Note:

Another year is closing, Christmas but a few weeks away—where does the time go? The village has had its fair share of activity since the last newsletter with Isfest, meetings commencing of the various groups since the summer break and another hugely successful bonfire night with ILHBS. It had to be the best yet and especially poignant with the remembrance part of the event around the bonfire with everyone in closer proximity to hear and see the poppies ablaze and reflect on those who gave their lives in war.

With the Lavender Fields development is well under way we'd like to give a warm welcome to those residents who have moved in. Although we are a small community we are big on activity—not something people who are new to the village may appreciate. A Welcome Pack has been collated from the various groups within Isfield to give to new residents so if you are aware of someone moving in to anywhere in the village then please get in touch with me, Bev, at the email below, so a pack can be delivered.

Enjoy reading all the news within and the list of activities taking us into 2017 in the diary at the back of this addition.

Wishing you all a very Merry Christmas and all the best for 2017.

ISFIELD FROST FAIR SUNDAY 27th NOVEMBER 2016 ISFIELD VILLAGE HALL

*Exciting stalls - Raffle - Prizes - Teas/Homemade cakes - Pizza van
Entry Free of Charge (11am to 4pm) Plenty of parking*

To kick the festive season off, Isfield's Christmas fair will be held at the village hall on

SUNDAY 27th NOVEMBER from 11am.

Local artists, crafts people and suppliers will offer wonderful Christmas gifts (e.g. knits, ceramics, artworks, prints, jewellery, aromatic soaps and toiletries, candles, plants, bird feeders & nest boxes, hampers, French macaroons, Free trade raffia handbags & hats, handcrafted wooden toys, etc.) and Christmas fare (e.g. cards, Christmas wreaths & table centres, Christmas tree ornaments, cheeses, chutneys & mustards, Christmas cakes & puddings, gift packs etc.). The fair was a great success last year and this year promises to be even bigger and better. Entrance is free. There's plenty of parking. Teas and home-made cakes will be available, there will be children's competitions, with prizes, and we are running a raffle. Pizza van for hot lunches etc

ISFIELD PARISH COUNCIL

There are two issues that I wanted to address in this report.

The first is the question of the sum of money which will be made available to the village by the developers of Lavender Fields once certain sales targets have been met. I know I have referred to this before, both here and at Parish Council meetings, but I sense that there may still be some misconception of the roles of the various parties in the distribution of this. The original agreement about the purposes for which this money may be used was made some time ago, and the decision about whether or not any particular project meets the relevant criteria set down in the agreement falls to Wealden District Council. Once they have agreed that a project is within the remit, then it is down to the Parish to decide which of the compliant proposals would be preferred. So far, four proposals have been made, for extending cricket nets, for installing a tennis court, for upgrading the children's play area and for extending the Village Hall. The first three of those have been approved by Wealden, and therefore will be able to be put forward for consideration. Sadly, the Village Hall project was turned down by WDC as it does not meet the pre-established criteria. For the avoidance of doubt, I would re-iterate that this is not a decision within the Parish Council's remit, it is one made by WDC on the basis of pre-established requirements.

The second issue I wanted to mention is planning. Central (Westminster) Government sets down a housing policy and passes to district councils an instruction covering the number of dwellings they are required to build, to help alleviate the shortage of housing in certain areas which has built up over many previous years. (Without examining the records of previous governments, let's just say it is a problem that has been steadily growing.) The District Councils then draw up a Local Plan, which specifies where, when and how many dwellings will be constructed. Wealden District Council are writing a local plan; however, it has been delayed yet again, from this month until (earliest) first quarter 2017. That creates a period of limbo, where nobody knows what development will be allowed and what will not, leading to a suspicion that Councils (because we are not unique here) may be tempted to use that period to help their overall numbers, before the plans are finalised. The Parish Council has raised this with District and County Councillors - at our regular meetings - and I, on behalf of the Parish Council, have taken the issue up with our MP, Nus Ghani.

I suspect that the majority of residents of Isfield understand the need for development; indeed, the schemes that have been built appear to blend happily with the existing stock of the village. However, I feel it only fair to point out the current unsatisfactory position. I know several other villages in Wealden share our concerns, not least because of the growing strain on infrastructure, particularly the road network, where it is difficult to understand how the A22, A26, A27 or A272 can handle much more traffic.

Finally, on a mixed note, I am pleased to say that the Boundary Commission accepted our case to remain in the same local government ward, with Fletching and Piltdown. Sadly, though, they did not accept that Little Horsted should also be kept in that ward, and, as it stands,

that parish will move to Ridgewood, which is an unsatisfactory result, and frankly counter-intuitive, given the many connections between Isfield and Little Horsted.

Geoff Sambrook
Chair Parish Council

PARISH PUMP

Ian MacDonald writes the Isfield and Little Horsted Parish Pump notes for the local weekly paper (Sussex Express). He is always interested in mentioning what's going on in the village, not just clubs etc but about the community—peoples' significant anniversaries, successes at whatever, non-malicious gossip and maybe just a "welcome to Isfield" paragraph.

If you have any news etc you wish to share then please contact Ian.

Email: macdonaldian@btinternet.com (preferred method of contact) or 01825 750512.

Ian MacDonald

ISFIELD DANCING CLUB

Club evenings and functions have been very successful throughout this year, the club bought a new double deck CD player earlier this year, which has allowed the members who play the music, more time to get up and dance. We are constantly updating the music we play, for some of the more modern tunes adapted for sequence dancing. Our AGM was on the 2nd of November with all members attending, who unanimously voted to keep me as Chairman, with Mrs D Read as Secretary and Mrs D Wickens as treasurer, however after 43 years the club very much runs itself anyway.

We would welcome anyone who would like to come and join us on a Wednesday evening; the remaining club nights for 2016 are on the 30th November at 8pm till 10pm December 14th Christmas party 7-00-10-00 pm , and all for £2 per evening.

Ron Levett
Chairman

01825 750404

ART GROUP

Once again our art group, which is becoming well established after 2 years, has had an interesting term, a mixture of studying artists and free expressive abstract painting. We have covered topics as diverse as Eric Ravilious, abstract reflections of Venice, colours of autumn to the portraits of Van Gogh. New members are always welcome from complete beginners to more experienced artists. Why not make next terms enrolment a gift for someone for Christmas. We meet every Thursday afternoon at Isfield village hall at 2pm for a 2 hour session.

PARISH WEBSITE GETS MAKEOVER

Isfield Parish Council's Website - www.isfieldpc.org.uk - has recently undergone a complete makeover including the addition of many new photographs.

Brief details of 'news' and 'forthcoming events' can now be seen on the home page and clicking on an item will bring up the full details which can also be found on the on the appropriate page in the News and Events section.

In the section 'Parish Information', a page for Local Organisations has been added which contains details of a number of local businesses and clubs. Minutes and agendas of Council meetings can be found in the section 'The Council' along with financial information and details of Councillors.

If you have an items of news that you feel should be published, details of an event or would like to have your organisation included on the Local Organisations page, please send me information so that I can include it on the site.

Jerry Phillips

jellphil37@gmail.com

St Margaret's Church

Valentine concert 12th February 2017 at St Margaret's Church at 4.00 pm. will be shared between church and St Peter and St James Hospice.

Tickets £ 10.00

including a glass of wine.

Details to follow. Please put in your diary and tell your friends.

LITTLE HORSTED CHURCH OF ENGLAND SCHOOL

The Early Years Village including our Nursery at Little Horsted C.E. School

At the start of the autumn term we welcomed our sixteen new reception children to Rabbit Class and the school. Mrs Cottrell says that they have all settled in very well to life at Little Horsted.

Our Early Years Village opened in September 2016 and includes our Nursery Robins Class for children, aged three and four years old. We are able to offer up to 15 places to children in Foundation Stage 1 (age 3 to 4 year olds) for the following session each week:

Mon—Fri 8.45 - 11.45 (half-day AM)
 8.45 - 12.25 (half-day AM with lunch)
 11.45 - 12.25 (Lunchtime)
 12.25 - 3.25 (Half-day PM)
 8.45 - 3.25 (All day)

Nursery children may attend our Breakfast Club from 7.55 a.m. Please contact the school or look at the website to find out more information. The number of children in our Robins Nursery Class continues to grow and we would be delighted to welcome new children and their families to the school. Please look at the website for further information.

School and Community Events

The children have enjoyed many school and community events this term including the official opening of our Nursery with the Mayor Linda Eastwood, Father John Wall, Governors and our

invited guests. The Rabbit Class children took our visitors on a tour of the Early Years Village and photographs were taken of the event for the local papers.

The children, as a result of a vote held by the School Council, have supported fund raising for the RNLI this term. They had a talk in assembly from a member of the RNLI and have encouraged the filling of a yellow RNLI welly boot with loose change. The older children in Mrs Pepper and Mrs Levy's Owl Class have enjoyed learning about Shakespeare through studying Macbeth. They have also learned about the Spanish Armada and the Mary Rose as part of their historical learning journey into Tudor times and explorations. They recently enjoyed a visit to the Mary Rose exhibition and found out what it might have been like to live and work on a Tudor galleon.

The children in Mr Barnes' Badgers Class (Yr 3 and 4) have loved their learning journey focus on Whizz, Bang, Pop a science focused learning journey. They are now finding out about World War 1. On the first day back after half-term they were encouraged by a rather severe Sergeant Major (Mr Barnes) to sign up to be soldiers. Their first task was to learn how to march and respond to orders!

Meanwhile the Hedgehog Class have been finding out about food, drink and healthy eating. They organised and ran an amazing Hedgehog Class Café for the parents at the end of Term 1. They are now learning about World War 1 with Badger Class.

Hedgehog Class and Rabbit Class will be performing 'Born in a Barn' their seasonal nativity play, towards the end of this term. These performances by our very youngest children are always thoroughly enjoyed by parents, grandparents and friends of the school.

The PTFA provided the BBQ at the Isfield Bonfire and Fireworks. They have organised a film night and a disco for the children. The PTFA kindly raise funds to support the resources available to the children in school. Recently, they have raised funds for ICT and science equipment and resources for the children to use during outdoor playtimes.

Father John and Father Mitch have led many enjoyable Wednesday morning assemblies and our special Harvest church service which was held in St Michael and All Angels Church on Friday 18 October. Mrs Pepper's drama club presented the story of Tattybogle (a scarecrow) to the congregation and the children sang wonderfully throughout the story and the service. Father John thoroughly enjoyed his first service in church with the school. His first assembly was immensely enjoyed by the children as well, particularly as he tried to make a cake, but obviously didn't know how to do this correctly, for example he threw the egg shells in with his cake mix! His message (following the right path through the teaching of the Bible) of course was very strong and clearly understood by the children at the end of a very funny and enjoyable assembly.

The School Governors recently sent a letter to the parents of children at the school and for your information I have included some of the paragraphs from the letter in this newsletter.

About the Governing Body of Little Horsted School from Helen Valentine (Chairman of Governors).

I would like to express my thanks and gratitude to all those associated with the school who give their time, expertise and resources so freely - this does not go unnoticed. Your help and contribution to the daily life of the school does make a real difference and we would not function so effectively without your practical support. Thank you.

Who are we?

A list of your governors and their roles is available on the school website at <http://www.littlehorsted.e-sussex.sch.uk>. Just click on the under the governor link..

What Purpose does a Governing Body have?

The role of a school governor is to ensure high standards of achievement for all children in the school by setting the school's vision, ethos and strategic direction, holding the head teacher to account for the educational performance of the school and its pupils, as well as overseeing the financial performance of the school and making sure its money is well spent.

A Background to Little Horsted School Governors

We have a very strong and cohesive governing body, with a diverse skill set from a group of people, who are bound together by the common aim of striving for the best for our school. Different aspects of our local community are represented by different governors. Many of us, like myself, have close ties with the school and some of the governing body have parental or grandparent links to the school. This academic year, we are pleased to welcome two new parent governors Paul Boxall and Gail Gillon. We thank them for their time and services. We are also delighted to welcome Reverend John Wall, the new Rector.

As governors, we undertake regular training to enable us to fulfill our role to the highest possible standard. In recent years, training has included Ofsted preparation, updates on academy status for schools, PREVENT agenda in schools (child protection) delivered by Sussex Police and data analysis. Child protection training is ongoing, completed promptly and swiftly and given the highest priority. Our designated child protection governor is Dr. Chevassut. Paul Boxall also advises on this, along with health and safety, drawing on his expertise and working knowledge as a secondary school Head. Laura Woods is the governor responsible for Health and Safety within the school. This year, amongst other issues, we will be undergoing training and guidance concerning governor, staff and pupil use of social media. This will entail looking at the benefits of social media in promoting both learning as well as promoting the works of the school within the community.

Church Information

As a church school, we value the close connections we have with our two parishes, Isfield and Little Horsted. The school works closely with the local churches and values the unswerving

input and support of our two churches in practical and spiritual terms. We are pleased to support the St Michael and All Angels restoration fundraising effort. The restoration of the church will benefit the school both directly and indirectly, enabling more joint events to take place as well as the children of the school being able to use the church on a more regular basis. If you have any further questions on this restoration programme, please contact Mrs Laura Woods, our Church Governor.

Our end of term Christmas service at St Michael and All Angels Church is on Wednesday 21 December. The school will attend the Christingle Service at St Michael and All Angels Church, Little Horsted on Sunday 15 January at 11.00 a.m.

For more information about the school and to view the 2017/2018 prospectus please visit www.littlehorsted.e-sussex.sch.uk or telephone us on 01825 750380.

Dr Michael Davies
Headteacher

ISFIELD VILLAGE HALL

2016 has seen ups and downs at the Village Hall. On a positive note we are delighted that bookings for adult and children's parties, and for societies' meetings, social evenings, fundraisers and AGMs, have increased this year. We have received very positive feedback from users about our beautiful hall. We strive to ensure that making a booking is simple and straightforward (see end of our section for details).

More good news includes the on-going success of Isfield Art Group which meets on Thursday afternoons and continues to grow in membership; Jane Will's wonderful floral workshops; the successful craft workshops run throughout the year by Adele Scantlebury's Blackbird Arts; the popular Tai Chi classes run on Monday afternoons; the very enjoyable Charleston classes run by Helen of Brighton Boogie on Tuesday evenings; and the steadily growing Isfield Wine Society evenings run bi-monthly.

Our own Village Hall events have been well supported, solid fundraisers in a year when our maintenance costs have increased due to floor maintenance and a new back door. In March we held an Open Day to showcase the clubs and societies that regularly use the village hall and we plan to do this again in 2017 (see upcoming events below). We also held two very enjoyable Race Night events with buffet suppers. We had an experienced MC/compere, a computerised tote system, race cards, advance sale of each of the horses in the first 7 races and an auction of the horses in the last race, a selection of flat and hurdle races, and all races were shown on DVD. We thank Andy Brooks for his support and help with these events. Finally we close the year with our fabulous Frost Fair which is even bigger and better this year; we could not run this Christmas fair without the help and support of our

wonderful volunteers, 'manning' stalls, running the catering, providing cakes and raffle prizes, running the raffle and setting up and cleaning up afterwards. They have our very sincere thanks.

On the downside, this year we lost our Yoga classes, as Grace now runs her Thursday evening class at a local leisure venue. We also lost our film shows, as Filmspot and the Village Hall couldn't continue to run film shows at a loss. Low attendance numbers, apart from our small group of regular supporters who we thank most sincerely for their loyalty, indicated that the village doesn't want this service anyway. So it was 'use it or lose it' time, and it's a pity, as anyone who has attended will attest to the high quality of these shows. We thank Filmspot for the high quality of the shows and their loyalty.

Upcoming Events:

The details of **Isfield Frost Fair** on Sunday 27th November at the Village Hall are provided on the front page. Bring all the family and make an early start on the Christmas festivities.

While thinking of preparations for Christmas, we should mention Jane Will's half day '**Christmas Wreaths**' workshop on Saturday 3rd December starting at 9.30am at the village hall. Jane is a very creative florist from Rotherfield who brings a huge selection of wonderfully scented foliage and trimmings to the workshop for everyone to create their own colour schemes and structure. The choice has to be seen to be believed. All materials are included, as is instruction and guidance, as well as delicious nibbles and tea/coffee. Contact Jane on 01892 852189 or on

jane@flowersanddaughters.co.uk

to register your interest and book up, and take a look at Jane's website

www.flowersanddaughters.co.uk.

As we had a very well supported & enjoyable event earlier this year, we plan to hold another **Village Hall Open Day** on Saturday March 18th 2017 to showcase the clubs and societies that regularly use the village hall. More details will be available as we get nearer the date, but the facilities will include, teas/home-made cakes and a raffle in addition to the individual displays by the clubs and societies. This is a great opportunity to learn about the huge number of activities that regularly take place in Isfield from the people who organise and enjoy them.

Local artist Adele Scantlebury's Blackbird Arts is running a **Mosaic workshop** on March 25th with Hannah Griffiths. The course is suitable for beginners and those with some mosaic experience. Materials are provided but you can bring broken tiles and pottery for 'upcycling'. To learn more and to book up contact Adele on info@adelescantlebury.co.uk and take a look at the website www.blackbirdarts.co.uk.

Village Hall cont.

For details of all these events, and others as they appear, and for the contact details of the instructors/facilitators, please see the News and Events page on our website

www.isfieldvillagehall.org.uk

Bookings:

To book the Village Hall for your receptions, parties and other activities call

Brenda Reynolds on 01825 749778

email: bookings@isfieldvillagehall.org.uk

provisionally book online on www.isfieldvillagehall.org.uk
(Booking and hiring page)

and Brenda will get back to you and confirm all details of your booking.

**Keith Taylor,
Chairman, Village Hall Committee**

TWIG

August was our annual summer social bbq kindly hosted by Barbara in her beautiful garden Quarry Barn South. A evening was enjoyed by all who came and our thanks must also go to Nina and Roger who provided the BBQ, etc and cooked all the delicious sausages and burgers by the farm shop. It really seems to be one of our most popular meetings every year.

September - a visit from 'Owls and about' who came along to the hall with a selection of beautiful owls of all different varieties and sizes. The ladies were really knowledgeable and answered all our questions. We were able to hold the different owls as long as we wore the thick leather gauntlet that they. This group are happy to attend clubs and societies and are able to tailor their visit to your requirements, highly recommended by us.

October - Pottery Painting. A relaxing evening painting pottery 'blanks' which we had pre-ordered in advance. A lovely, chatty and artistic. Thanks to Jill all her hard work in advance of the night, getting this organised.

November- Sussex Ouse Restoration. A much requested visit of a very informative well illustrated talk all about Isfield Lock and the work of the restoration team, excellent photos accompanied the knowledgeable Bob Draper SORT chairman and we could easily have doubled the length of the meeting with the information and photos he could provide.

December 7th - we are planning to repeat our popular DIY Christmas wreaths evening. Please provide your own greenery and bring a plate of food to share. If you wish to join in the secret Santa then please supply a wrapped gift to the value of no more than £5 to place in the sack.

Further info on this event will be posted on our **Facebook** page and emailed out to all on the list.

2017 will be our 10th birthday!

Our January meeting will be in the Fish on Wednesday 4th where we will plan 2017's. Please check out the **Isfield Village website** for the dates of meetings next year and what's planned.

We meet once a month on either the first or the second Wednesday in the village hall (unless advised differently).unlock at 7.30, with the meetings starting by 8pm. (We aim to lock-up by 10pm.) All ladies are welcome to join us, you do not need to live in the village. Non-members pay£5 to include refreshments. We are a very informal relaxed group of ladies who enjoy meeting up experience and learn things. Come along and see for yourself and enjoy some 'me' time.

For further information please call Sues 750767 - Karen- or Jill 750445

Sues Crawford

UPDATE FROM THE LOCAL MP

On Remembrance Sunday, I was honoured to do the reading in the service at St Michael and All Angels, Jarvis Brook. I am very grateful to everyone at St Michael's for inviting me to such a poignant service, and for emphasizing so powerfully the meaning of Remembrance Sunday. For me, this meaning is found in the many similar services across Wealden, and indeed across the whole country, as we saw people coming together to pay their respects to those who have made the ultimate sacrifice on our behalf, and those who continue to serve our country at home and abroad today. I hope that we can keep this spirit intact for the rest of the year, and keep remembering the things that are truly important.

I also recently attended St Dunstan's Church, Mayfield for a concert to raise money for the local branch of the Royal British Legion and the Hospice in the Weald, for which I am a patron. I heard the Royal Marine Association Concert Band and the Shorncliffe Military Wives Choir, who were both absolutely amazing. I'm delighted that money was raised for two such good causes, and I hope that anyone reading this will also consider doing what they can to help these excellent organisations. I was also delighted that these events have given me the opportunity to visit Wealden's wonderful local churches. I know that our churches will be very busy in the weeks ahead with Christmas, one of the most important festivals in the Christian calendar, getting closer. Therefore, I would like to take this chance to pay tribute to all the wonderful local clergy who I have met this year, and all the volunteers who make the work of our local churches possible.

Like Remembrance Sunday, Christmas is also a time for us to take a bit of time to think about what is really important. I know for the more fortunate amongst us there will be presents, overeating and a few days off work. However, to focus on these things would be to completely miss the meaning of Christmas. I hope that we will all treasure the time that we will have with our families, and that we all do our part to contribute to the spirit of goodwill to all. In particular, I am acutely aware from my work as Chair of the All-Party

Parliamentary Group on Ageing and Older people, that there are many who are not so fortunate, and that levels of loneliness amongst older people remain far, far too high. I would encourage people to contact Age UK East Sussex on 01273 476704 to find out more about their services in this area. However, even if all we do this Christmas is check on an elderly neighbour to make sure that they are being looked after, then we are still doing our bit to build a kinder community and that Christmas turkey will taste all the sweeter!

As ever, if you wish to contact me, my email address is nusrat.ghani.mp@parliament.uk

Nus Ghani
MP

ISFIELD WINE CLUB

Isfield Wine Club meets every other month in the Village Hall (Isfield's premier entertainment venue) to taste and discuss all aspects of wines from around the world. The next meeting will be in January.

The evenings are not snobbish or pretentious about wines but are always relaxed, fun and hopefully informative. So why not come along and see just how much fun wine can be. For more information call Keith on 01825 749778. We look forward to seeing lots of new members in the future, and, you could even chose which wines you want to taste and talk about.

Keith Taylor

Just for information . . .

ESCC have advised that Isfield bridge works will commence on Monday 9th January 2017 and will last for 5 weeks; although rain may delay the work but advanced warning signs will keep us updated! During this time Station Road will be closed to through traffic – planned road diversions will be via Horsted Lane, A26, A22, Uckfield bypass, A22, Maresfield bypass, A272, Shortbridge Road, Buckham Hill and vice versa.. Further information www.eastsussexhighways.com or phone 0345 6080193

ISFIELD WEDNESDAY CLUB

We have enjoyed an excellent programme this autumn. Our illustrated talks have included the following:

In September John Davey gave an absorbing talk on The Lost Industries of Lewes. He used the collection of photographs amassed by his father to give us a detailed historical view of Lewes as a vibrant hub of industry.

In October we heard deeply moving accounts of the courage and daring of the very brave women and men recruited by Churchill in the Second World War, The Special Operations Executive - Churchill's Secret Army.

We had an educational talk by Ray Young about his adventures in the U.S.A with particular reference to The Grand Canyon.

Our largest audience yet came to listen to Pam Fielding tell us about the "secrets" of Isfield Churchyard.

We have a talk on the very secret life of Charles Dickens and a presentation by Dr. Michael Rice in his time as a doctor in the Antarctic in November.

Our Christmas lunch is in The Laughing Fish on 7th December and we have an afternoon of Christmas music followed by tea on 14th December.

We meet every other Wednesday at 2.30p.m in the Village Hall. Each talk is followed by tea with homemade cakes.

Everyone is welcome. Do come and join us.

Our programme is on the noticeboards in the village, in the pub and in this newsletter, or from Liz Fine 01825 750658.

Colin Stains
Chairman

I.C.E

The past three months have been a busy time for the ICE Field. September saw it hosting "Isfest", on behalf of ILHBS, where over £3,000 was raised towards the village's firework display, and, a week later; ICE's own very own Film Night, where "Guardians of the Galaxy" was shown to a packed marquee. Then, after a few weeks pause our field was again in use, this time hosting the climax of ILHBS's year in the form of our village's bonfire celebrations. I have to say that this year has to be one of the best and I should like to extend a big pat on the back, from ICE, to all concerned. Bonfire Members work extremely

hard throughout the year to fund and organise our fireworks and it's a real pleasure to see the field being enjoyed by so many people. The Remembrance Celebrations, which preceded the lighting of the bonfire, with "The Last Post" played and giant poppies glowing red before the field fell into two minutes silence, was moving enough to make me quite teary as I write this now.

On a more practical note the hedges have been cut and, as funds are relatively healthy, ICE have been able to instigate a regular programme of mowing. This means that in future we will be less reliant on the goodwill of Members, who have always been there for us, despite the inconvenience to their lives and businesses; and, I shall never again have to watch, while sheltering under a leaky tent, as Lincoln Cranfield mows the field in a tropical downpour in preparation for the Fete.

We have also decided to add an extra fresh water tap, as an improvement to the CL, which will negate the necessity of our caravaners plodding through our wet patch if we ever have another winter like the last. One final piece of news with regard to the afore-mentioned leaky tent; the old Village Marquee was, despite peoples' best efforts, beyond repair. And so in partnership with the Fete, we have purchased a new one from Barkers of Godstone. Our contribution is in the form of a loan, which the Fete will pay back over time, as funds permit. It is both tough and draft free, as anyone who attended our Film Night will testify. It should last us all many years and I hope it meets with your approval. Have a happy and peaceful Christmas.

Pete "Scan" Scantlebury.
Chairman ICE

ST MARGARET'S CHURCH

The Rev'd John Wall is the Uckfield plurality's new Rector and we are delighted to welcome him to our church and village. He comes to us from Moulseccomb, on the edge of Brighton, where for ten years he was Team Rector and, amongst many other things, heavily involved in opening a cooperative community pub. He has spent most of his ministry in Sussex and it is surely more than a coincidence that his first post was Curate of St Margaret's, Ifield. He is looking forward to becoming, as far as possible, part of our community. The children at Little Horsted Primary School already know what fun he is through his assemblies. We all wish him, and his faithful Labrador, Sophie, a long, fulfilling and enjoyable time with us. We are so lucky to have such an inspiring minister to lead us.

The get-together of the Friends of St Margaret's was held at The Old House during September when Frank Fox-Wilson and Peter Willson entertained us with their music. This annual event is a small thank you to the Friends for their generous donations which are so important to the church. Very many of the Friends are not regular churchgoers and several are non-churchgoers but they all recognise the value of this centuries old institution to our community. Thank you to everyone for their generosity.

The two-day Harvest Flower Festival in October was a great event which was enjoyed by many villagers and outsiders alike. The church was full with wonderful floral arrangements made by many individuals and organisations, including the Pre-School's flower-filled wellington boots! Thank you to everyone involved and especially Cariena Cartwright and Penny Martin who decided it was time for such an event, did all the planning for it and ensured that it was such a success.

It was particularly fitting that the church was full the next day for a memorial service for Pam Cooper. She had been in charge of the church flowers and also a member of the PCC for nearly twenty years. How appropriate that, entirely coincidentally, the church was full of flowers for the service to celebrate her life.

Rev'd John Wall's first morning service in St Margaret's happened to be two days before the 400th anniversary of Nicholas Culpeper's birth on 18th October 1616. The Rev'd John spoke about Culpeper who is revered for his book, *The Complete Herbal*, which is said to be the most successful non-religious English text still in print. He grew up in Isfield where his grandfather, Rev'd William Attersole, was the rector. Nicholas's father had died just days before he was born, in Surrey, and his mother was forced to return to her parents where she had been married. Grandfather Attersole would have been tutor to some of the Shurley children immortalised in the alabaster monument in the church's chapel named after that family. Nicholas produced his famous book two years before he died in 1654. He had devoted his life to the poor living in Spitalfields and wrote his book specifically to help those who could not afford the services of a doctor. He is remembered in the village by the newish Culpeper Close.

When you are next in the church do have a look at the Shurley monument and also look up at the church's massive roof beams. On one of them you will see "Ano Dom 1558" carved. It is salutary to realise that the beams were probably put up during Culpeper's grandfather's time.

It was particularly pleasing to see St Margaret's so full on Remembrance Sunday when wreaths were laid at the war memorial by representatives of seven village organisations on the war memorial for the seventeen villagers who were killed in the Great

War and five in the Second World War. After the service, led by Canon Hugh Mosely, wreaths were laid on the war commission gravestones of three villagers. One of them, Arthur Gurr, was a distant relative of the wife of our postman Michael and so it was fitting that she laid the wreath in his memory.

You may have noticed that part of the churchyard wall has been damaged, apparently deliberately, by someone driving into it in a vehicle of some sort. We hope that the extensive repairs will be carried out early in the New Year. It is good to know that many villagers and others walk their dogs from the church carpark - can you please keep an eye open and let one of us know if you see any odd goings on!

Now looking forward to Christmas. Our traditional village Carol service will be on the 18th December at 6.00 pm. On Christmas Eve there will be a Midnight Communion service which will start at 11.30 pm. On Christmas Morning a Family service of Carols will start at 10 o'clock followed by Holy Communion for those who want it. We look forward to welcoming as many of you as possible to some, if not all, of these services.

We are still without our own curate. The priority for 2017 must be to find someone to live in the village, lead our services, take on the pastoral work in our community and help the overburdened clergy in Uckfield. Let us hope that after three years we will at last be successful.

Just a reminder, our Sunday services are at 10 o'clock with Holy Communion on the 1st, 3rd and 5th Sundays, Matins on the 2nd and a Family service on the 4th. We do hope that you, especially newcomers both in Lavender Fields and elsewhere in the parish, will join us during 2017.

VILLAGE HALL

We would like to canvas the village to see if there's any interest in starting a

U3A group

in Isfield at the Village Hall. Are you interested in having some really local adult education, with potential for many and varied groups, from walking to photography, pub lunches, wine appreciation, canasta, various languages, board and or card games, art appreciation, architecture, computer skills, drawing, painting etc.

If you are interested please let Katherine know by emailing

info@isfieldvillagehall.org.uk

Katherine Meakin

LAUGHING FISH PUB

After a very busy year at The Laughing Fish we're now looking forward to an equally busy festive season before the deep dark days of January and February (which we know will probably also be accompanied by the bridge closure which we helped to get postponed a couple of weeks ago). So, here goes -

On Saturday 17th December we're expecting another visit from the World-Famous Ashdown Forest Mummers - performing in the pub from around 2.00pm. No entrance fee but be prepared to be inter-active! Then, the following day Sunday 18th December we're having our traditional annual Carols sing-along with Uckfield Concert Brass from 8.00pm. Mince pies provided.

On Christmas Day we're open for drinks only (free gourmet nibbles provided) from 12 noon until 2.30 pm. Even if you're not regular pub-goers we'd love to see you to wish you the compliments of the season. Just like every Sunday lunchtime used to be in the pub!

Between Christmas and New Year there will be some changes to our opening times and kitchen operation. On Boxing Day, Tuesday December 27th, Thursday December 29th and Friday December 30th we're open for lunch but won't be serving food in the evenings, and may close early if the pub empties out any time after 6.00 pm, so please check first before setting out. We're closed completely for a staff day out on Wednesday December 28th.

Then, on New Year's Eve, Saturday 31st December we're having a 1970s night. All the music will be from that decade, and we're planning to spin some vinyl - please feel free to bring your own along! Period dress obviously welcome but not essential, but we will give a bottle of champagne to the midnight reveller with the best 70s dress! Free buffet. No tickets required, no entrance fee. Open until 2.00 am.

Ever gluttons for punishment, we're also going ahead with our monthly Pub Quiz on Sunday January 1st (8.00pm), and as Monday January 2nd is also a Bank Holiday we're open for lunch, before lying down in a dark corner and taking Tuesday January 3rd off! (The pub will be closed that day).

Our next two special food evenings are already pencilled-in - on Thursday February 2nd 2017 we're having a "Pies, Puddings and Stew" night and on Thursday March 16th we're holding our first-ever Japanese Food evening. Open for bookings..

Wishing you all a very merry Christmas and a Happy New Year for 2017!

Linda and Andy
The Laughing Fish 750349

ISFIELD & LITTLE HORSTED BONFIRE SOCIETY

We held a very successful Bonfire on Friday October 28th. Thanks to all of you for your support -over £100 was collected from the street during the parade, which will be passed on to Riding for the Disabled, and over £1000 was collected in the field after the display. This goes into Society coffers to help pay for next year's event, but we also give a sizeable donation to other local charities which is decided upon at our Annual General Meeting in January. Last year £750 was donated to "Care for the Carers". If any of you know of suitable local charities who would benefit from a donation from the Society, do let us know.

Our Bonfire is deliberately kept small compared to other society's evenings because we want it to be truly local and suitable for families with young children. Next year it will again be held on the last Friday evening of October (27th).

The Bonfire Society is more than just a group of pyro technicians - there is a large social aspect to it, with events and other activities happening throughout the year. Annual membership is only £10 (£1 for children under 16) and new members are always welcome.

Our next fund-raiser will be an Easter Quiz to be held at the Village Hall, and we are already planning ISFEST - our day of bands and BBQ - which will be held in the ICE field on Saturday September 9th 2017.

LITTLE HORSTED SCHOOL PTFA

The Parents, Teachers and Friends Association have had another great year thanks to the support and dedication of our school and local communities.

All the money raised by PTFA events goes directly to enriching our children's learning and play. We have now replaced almost all the old school PCs with laptops - a vital resource for children across all years. This term we have also invested in essential Science teaching resources, new playground equipment and a second quiet study/meeting area for students. Our focus in the New Year will be funding an extension to the much-loved play equipment on the school field.

We would like to extend our warmest thanks to everyone in Isfield and beyond for

supporting our BBQ at the Isfield Bonfire last month. It is a privilege to be at the heart of this fantastic event and our new families particularly enjoyed meeting such a vibrant bunch of people! The Farm Shop sausages were a real hit this year and we raised enough funds for another new laptop - only 2 more to go now until the entire school ICT suite is upgraded!

Forthcoming events will focus on fundraising for new computer chairs and outdoor play equipment. Dates for your diary include:

Fri 2nd Dec School Christmas Bazaar - Festive fun and gifts - all welcome from 2.30pm. Cake, bottle and raffle prize donations needed - please get in touch with the School Office if you can help.

Fri 20th Jan PTFA School Film Night - Following the success of our Charlie & The Chocolate Factory event, we will kick off the New Year with another kids film evening.

Fri 10th Feb PTFA Quiz & Curry Night - Our ever-popular grown-up event with delicious home-made supper; what better date for the Valentine's weekend?!

Sun 14th May 2017 PTFA Fun Run - Our biggest annual fundraiser, with 1, 5 and 10km races open to the public on the stunning course around Isfield. We welcome all members of the school community to get involved - please contact : scott.litchfield@gmail.com if you can help before or on the day (whether it be baking, marshalling, publicity or serving refreshments) or if you would like to sponsor this major event.

To get in touch with Little Horsted PTFA, please contact

Anna in Horsted Green	anna.murzyn@icloud.com or
Louise Dainty-Woodham in Isfield	louisedw@btinternet.com

All ideas, help and feedback most welcome!

Anna Murzyn

ISFIELD FARM SHOP
Butchers & Village Store

Firstly we would like to thank you all for your support over our first 6 months of us running the shop. We have had good summer and are now gearing up for first Christmas. The shop now has fresh bread and milk 6 days a week along with a selection of hot sausage rolls pastries and not forgetting the ever popular doughnuts from Ringmer bakery.

The Vegetable stand is proving to be very successful and we are now supplying veg boxes weekly to a number of families in the village and Uckfield—we have a great selection with much of the veg grown locally.

We have expanded the produce over the last few months with an new deli counter a good selection of local cheese, home cooked ham, charcuterie and a selection of pate to name but a few. Not forgetting our full butchers counter run by Henry where you can pick up your weekly meat shop from sausages to Sunday roast.

We will be at the Frost Fair in the village hall on the 27th November and following this up with a late evening on Thursday the 1st December from 5pm until 8pm where we would love you to join us for a glass of mulled wine and taste a selection of cheese and pate. Henry will be there to discuss any Christmas orders, as will some of our suppliers with a range of products.

We will be opening extended hours the week before Christmas including Friday the 23rd December when we will be open 8am to 8pm.

Hope to see you soon Sue, Dave Henry and Helen. www.isfieldfarmshop.co.uk
Tel : 01825 751271

Sue & Dave Biggins

PAVILION

Cricket and stool ball seasons have now finished so we are purely hosting children's football at the moment.

The building has now been completely re-floored. The main part and the changing rooms have stud and spike proof flooring whereas the kitchen and shower rooms have safety tiling.

Next year sees more refurbishment with a lick of paint and new heating.

It is available for hiring out and any bookings should come through Linda at the Laughing Fish.

Linda Brooks

For Your information....

I have been advised that Wealden District Council are giving a presentation on gas and electric Smart Meters in the village hall on Tuesday 17th January from 5pm—9pm

I am sure any further information will be available nearer the time on the Parish Website <http://www.isfieldpc.org.uk/> and village noticeboards..

Bev Ashford

ISFIELD CRICKET CLUB

The end of the 2016 season saw the League first team finish mid table in Div. 3 of the East Sussex Cricket League - thanks to a good unbeaten run in the second half of the campaign. This was capped-off by a great win in the Plate Cup Final against Forest Row in September.

The second team played its first ever season in Div. 12 and just missed out on promotion. It was the first proper league experience for most of the youngsters from the Youth Academy who acquitted themselves well.

The club was able to celebrate the season at an enjoyable Annual Dinner at the Wok Inn in October and recognise lots of good individual performances. Special mention to Jack Fingerneissl who won the first team batting award; Stef Halsey, who picked-up the bowling award. Toby Baker who won the second team batting award; with the bowling award going to Neil Buckle. The WGGCC all-rounder award went to first team skipper James Fellows who scored nearly 1,500 runs and took 65 wickets across both Saturday and Sunday games. He also picked-up the Club Man of the Year Award - well done James. Congratulations to everyone else who won awards (too many to mention).

Well, the cricket square has been put to bed for the winter (again our thanks to David Williams and his team). Also, thanks to all those club stalwarts who do a lot of work for the club. Winter nets will begin in February next year at a new venue: Longhill School, Rottingdean. Any new players are welcome at these nets and at the summer nets.

Happy Christmas to all. For any further information about the club please contact me:

Neil Thornicroft
